1. Çağla wrote this post for her class blog. Read it and do the tasks below.

> ***Our Big Move***
>
> ***(1)*** *Last year, my family lived in a flat on the seventh floor of a block of flats in the city centre. It had only two bedrooms, and there were five of us: my parents, my little brother Yiğit, my grandmother and me. The flat was really cramped. I shared a room with Grandma, so I never had a quiet place for my homework.*
>
> ***(2)*** *In June, we moved to a detached house in a small town near the sea. Now we have a spacious sitting room, a garden and a bedroom for each person. But a new house brought new problems, too.*
>
> ***(3)*** *First, our new school is far from the house, and there is no bus early in the morning. Dad found a solution: he drives us to school on his way to work. Second, Yiğit and I argued about the chores every day. Who washes the dishes? Who takes out the rubbish? Mum made a chore chart and put it on the fridge. Now we know whose turn it is, and we get along much better.*
>
> ***(4)*** *Yiğit had a problem in his new bedroom. He was afraid to sleep alone in the dark, so Mum gave him a small night light. Grandma had a problem, too. In the city, she had a lot of friends in the neighbourhood, but here she didn't know anybody, and she felt lonely. Then our neighbour, Mrs Sevim, invited her to a walking group. Now Grandma walks by the sea with her new friends every morning.*
>
> ***(5)*** *Our new house isn't perfect, but it is our home now, and I love our quiet neighbourhood.*
